

GNC Meccanica

COME SCEGLIERE IL GIUSTO TIPO DI GUARNIZIONE SUPERIORE E BASE
HOW TO CHOOSE THE RIGHT BASE AND TOP GASKET

Grazie al nuovo ed innovativo sistema GNC Meccanica hai la possibilità di scegliere la configurazione della ventosa secondo le tue esigenze / preferenze, il tutto variando semplicemente il primo numero del codice.

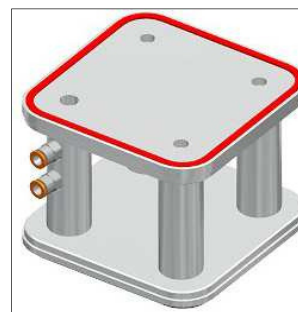

With the new and innovative GNC Meccanica system you have the option to choose the configuration of the suction cup according to your needs / preferences, only by changing the first digit of the code.
